Re: B. B. B.

I think you will find there have been other petitions on C.S.O. files re Bishet Ramadan (Al Bassa - or Bassat (one of Alak - and Bishet Ramadan are all one large reclaimed area).

This Area is Waqf & the S.M.C. can leave it to whom they like and in my opinion it is not a question for administrative action by Govt. - If any person residing there claims any rights it is for him to take such legal steps as he sees fit.

Humaidan Ibrahim Abu Mazru' of Arab Al-Mahr tribe addressing His Excellency the High Commissioner on behalf of his tribe, which is camping at Al-Bassa land, Tulkarem Sub-District, states that his people have been living in these lands for a large number of years. Six years ago, the lands in question were registered as Waqf in the name of the Awqaf Department, and since that date his people have been paying the sum of 250 mils per year as a nominal rent in respect of those lands. In 1939, the Supreme Moslem Council leased the lands to Ali Eff. Abdul Hadi, and this lease prejudiced their right and exposed them to starvation. Petitioner requests His Excellency to grant them priority in respect of the ~~these~~ lands against payment of a reasonable rent.
